CANDIDATE PROFILE

Candidate's Name: Pasquale "PJ" Storino

Owner address: 11 Northrup Drive

Brief Biography (Professional and Civic Experience)

I am seeking a position on the Burnt Tavern Manor Board of Trustees as I believe my skills and experience would be a great asset to our community. I not only have years of experience in business management, practicing as an attorney, and running my own business but I have also served on the board of another condo association for several years. These skills will enable myself to assist the Board of Trustees in effectively managing Burnt Tavern Manor and ensuring its' continued success into the future.

Reason For Seeking Election:

I believe an effective managing board is the key for any condo association's success. Without proper fiscal management, concern for residents' quality of life and financial situations, and a common sense approach to management association's such as ours can end up in a bad place rather quickly. As someone with this requisite experience, I would like the opportunity to serve my neighbors and our community in hopes of making Burnt Tavern Manor the premier complex in Brick.

If you are seeking to run for a position on the Burnt Tavern Manor Board of Trustees, please return this form to Pinnacle Property Management no later than August 27, 2021.
